

GIVING YOU MORE LIFE FOR YOUR LIFESTYLE.

At Latitude, we take care of the outside chores for you

18 holes of pure perfection outside your front door.

Colorado National Golf Club was designed for the dual purpose of providing a championship golf course, community center, and ample open space beautifully landscaped for residents. Designed by award-winning architect Jay Morrish, this 232 acre championship par 72 course winds throughout the community and offers breathtaking panoramas of the Northern Front Range.

With 5 sets of tee boxes this course offers playability for all golfers. A 696 yard par 5, a drivable par 4, and exceptional elevation changes are some of the highlights to this tremendous course. Three separate tee boxes, a short game area, large putting green, and even a fairway practice bunker will help you prepare your game for perfection.

The 11,000 square foot clubhouse boasts Master's Restaurant inside seating for 150, patio dining for 80, and offering gorgeous views of the Rocky Mountains. From private locker rooms, customized top 100 golf shop, intimate dining, the #1 rated practice facility in Colorado, to the course itself, every detail and amenity has been given the greatest attention to ensure that every guest enjoys a memorable experience that will last a lifetime.
